Technical Fest focuses on various technical events like project exhibition, coding Tech paper presentation in the area of Computer Science & Technology. It will provide a forum to students for sharing their innovations. Tech Fest will create a bridge between students and industry. This event will be a landmark in the refining learning of technocrats.

## ABOUT THE INSTITUTE

HMR Institute Of Technology & Management was established in 2002 with a vision to ignite the scientific temper in our young budding technocrats. It has a sprawling campus in 5 acres of land. Since its inception, the institute has made all efforts towards state-of-the-art infrastructure, with well equipped laboratories, digital library, smart classrooms, hygienic cafeteria at par with the best in India. We have highly experienced and qualified faculty, actively engaged in research activities. The institute has recently entered into a collaboration network of Centre for Tele Infrastructure(CTIF) network. This provides students an opportunity to undergo training at few US and European Universities during summer vacations. Project Based Learning (PBL) is being practised by employing activity plan and Value Addition Program(VAP), every semester. HMR students are trained on Life Skills and Technical Skills which are most important for industry. At HMRITM we offer B.Tech in CSE/IT/ECE/EEE/MAE and MBA and MCA Courses.

Our dedicated team of TPO's provide students a strong industry academia interface. We are the proud recipients of National Award of Excellence and Carrier Guru Award.
